Vicki,
Best of luck in
the future to one
of the craziest cousins
I have! Always remem-
ber all the trouble
we've gotten into these
years at P.C.H.S. May
your remaining years
at Page High be your
happiest years!

Love you,
Betty

Vicki,
Best wishes
and lots of
success in the
future to a real
crazy and cute
girl.
Friend always,
Maure

Vicki,
Best of luck
to a real sweet
and cute girl. May
you always have
happiness and success.
Come to all your
dreams come
true. A friend always
Jude

Vicki,

Best of luck to
you in the future.
Remember Typing I
and Bookkeeping
classes.

Robert L.

Vicki,
Best of luck to a
wonderful girl and may
you find the right person
to be happy forever.

Vicki,
Lots of luck
to a real nice friend
to a real nice friend
in the future. Remember
the laughs we have had
like ya a lot
Jerry Mills

Vicki Dochenow

Vicki,
Best of luck in the future
to a real sweet and cute
girl. Don't forget our
eight grade class. Remember
me.

A Friend Always,
Connie

Vicki,
I wish you
the best of luck in
the future you are
a cutie and caddy girl!
Good luck to you in
school I love you
a friend,
Betty Jane

Vicki,
 I'm a sweet girl
 that I like very
 much. Remember all
 the times up the
 "Pool". Good Luck in
 the future. Stay as
 sweet as you are now
 and you'll go far in
 Life. Good Luck with
 "D.P." (I mean 4 gotten) 2 sweet
+ 2 be
(Be remembered)

Love you
 Always,
 (Green) Painter

Vicki,
 Best of Luck in future years
 to a very sweet and wonderful
 girl. You better stop telling
 those little white lies.
 Frankie

Vicki,
 Best wishes in the future
 to a real sweet girl. Be good
 to "you know who" cause if
 that band of ours ever gets
 famous we'll need him. Be
 good! And don't tell any little
 white lies! O.K.?

See ya!

Doug

Vick,
 Best of luck to a
 real sweet and cute girl.
 May we always be friends.
 Never forget Mary, and me
 at the Pool and all the fun
 we had. I hope your dreams
 come true. Love you!
 Dottie

P.S. Pettit really is
 a really, really
 nice girl - caps!
 I mean boy! Sorry.

Vicki, to
 Mary nice to
 have had such
 a lively vivacious
 person (with long
 hair) to brighten
 my day - James
 Mary

Best of luck
to a real nice
girl. Stay as
sweet as you are
Joyce

Vickie,
Best of luck in all
you do. Be good and
stay happy. Remember always
the good old days at P.C.H.S.
Love ya!

GROWING

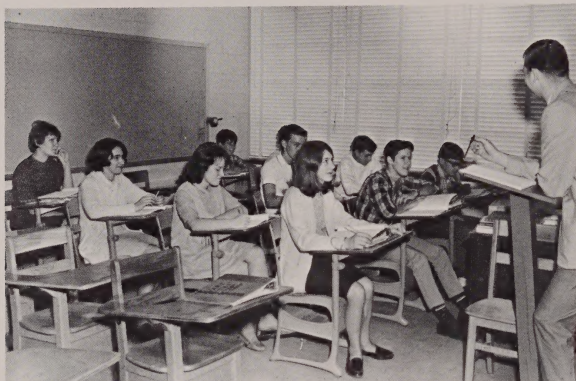

PRE-FRESHMAN

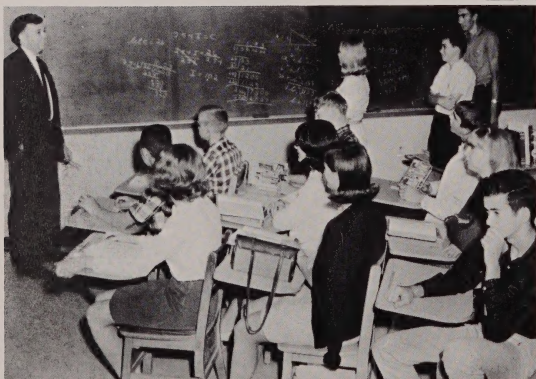

SENIOR

Growing in Knowledge

Students in Mr. Johnson's class advance in knowledge by listening.

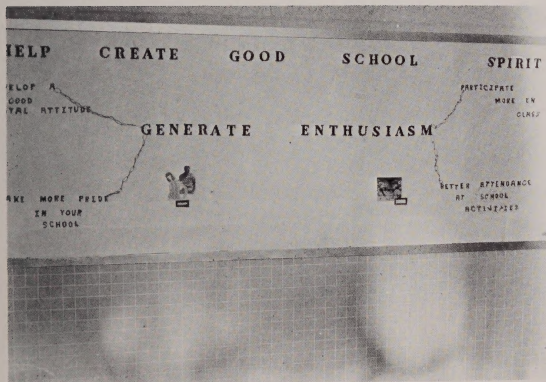

Students take advantage of library conference rooms for research work and studying.

Mr. Emswiler's students gain more knowledge in Mathematics by watching and listening to others work problems.

Growing in Interest and Concern

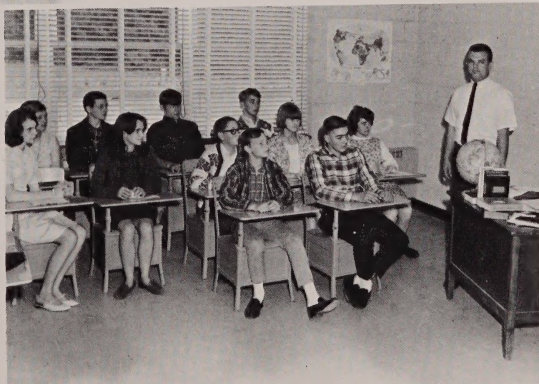

Page County High School students show an interest in art as their art work was displayed to the public at the Art Festival.

Great concern for our school is shown in various ways by the students of Page High.

One of the many ways we show concern for our activities are our bulletin boards. The work generates school spirit, enthusiasm, and good sportsmanship.

Both boys and girls build stronger and quicker minds by supervised study as here in Mr. Lanham's class.

Construction Begins On Our New Bleachers

It has been necessary for Page County High School to develop its own athletic field. Students and faculty members have cooperated with interested citizens of the community to raise the money and to build the field, erect the lights, and build the bleachers for the field.

Once the field is finished it will be a community asset as well as a source of use and pride to the school. We expect future citizens of our school community to use these bleachers for an annual Easter Sunrise service. There will be many other uses for this field.

The PAGE says, "Carry on!"

A river is a symbol of life . . . going on and on and on, always changing, always busy, always changed by the things that happen on its banks.

DEDICATION

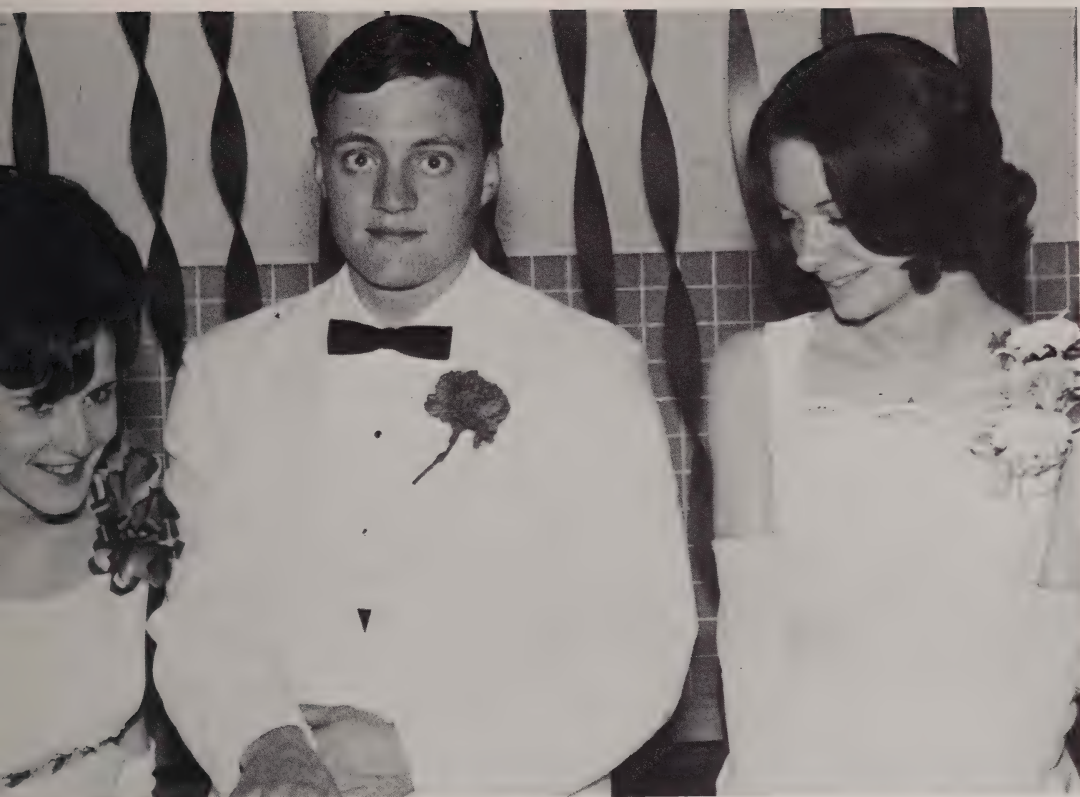

As the year draws to a close, each class prepares to climb higher on the stairway of progress. For the Freshmen and Sophomores, this is only the beginning of the long road into the future. The Juniors who will be next year's Seniors will grow in maturity as they assume the position at the zenith of the stairway.

For this year's Seniors, this step will take them to even greater heights. Some will enter industry, others will go on to college to further their education. These five years in High School have taught them to venture into the future with anticipation and to accept failure as well as success. The Seniors have learned to get the most out of life and to make the most of their opportunities.

In acknowledgement of the progress they have made, we are proud to dedicate this issue of *THE PAGE* to the *CLASS OF '67*.

Fea

tures

Miss Sharon Stanley, first runner-up.
Miss Jane Plum, the new Miss Page County High School.
Miss Joan Richards, second runner-up.

Miss Page County

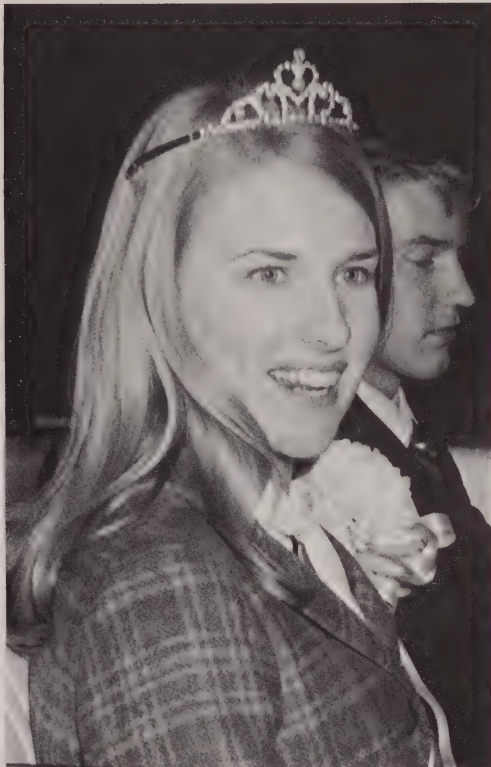

SWINGING ON A STAR was the theme as the young ladies competed in the annual Miss Page County High School which was held in the school auditorium.

Miss Jane Plum

Homecoming Queen

Jane Plum is crowned the Homecoming Queen.

The new Queen looks happy.

Donnie Knighton, who crowned the Queen, had to be told to kiss her. And then he had to be told to stop.

Queen Donna Batman, and King Jerry Hoak were crowned monarchs of the annual Valentine Dance which was sponsored by the Junior Class.

Valentine Monarchs

At every party someone must do the work. Here Mrs. Murphy pours punch while the guests serve themselves.

Page County High School Band members who were selected as part of the All-District Band: Linda Batman, Elizabeth Vaughan, Karen Bodell, Darlene Wayland, and Mary Houser.

Darlene Wayland, chosen to be the first clarinetist of the State of Virginia All-State Band.

Wanda Short and James Lam

Winners in the annual Sadie Hawkins Day Dance.

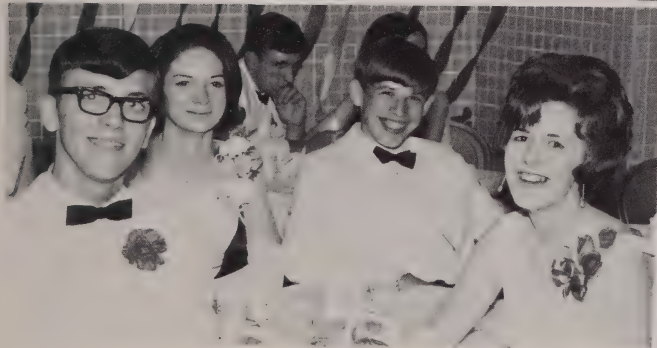

Scott Ruffner, James Rinaca, Jane Good, and Terry Mills.

Patricians at the annual Roman Banquet sponsored by the Junior-Classical League.

The Band Majorettes above have earned their right to be included in the feature section.

RANDOM SHOTS

Junior-Senior Prom

Susie Comer was the Queen, Gary Brown was the King, and everyone else had a good time.

Prom Sponsors, Mr. and Mrs. James Printz

"IN THE MISTY MOONLIGHT"

was the theme of the Junior-Senior

Prom. Someone did a great deal of

work!

Those who did not want to dance could

sit at the tables and admire the beauty

of the activity.

Mr. Bodkin crowns Susie.

C

WITH ROOM TO GROW

Curriculum

Miss Tate's English class acts out a story of an automobile ride.

ENGLISH

English and Literature students strive for a mastery of our language.

Students concentrate on various types of literature throughout their successive school years. This also includes acting out plays and drama.

The students use the machines in the guidance office.

Mrs. Hudson's English class.

SCIENCE

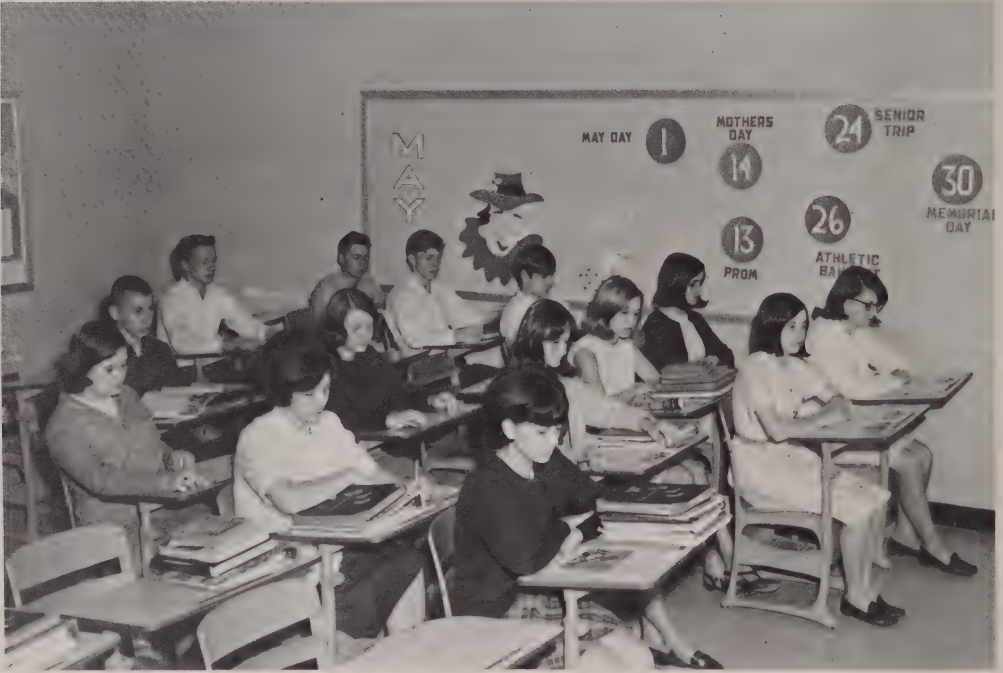

One highlight of the scientific year; Kenneth and Terry Alger discovered a radiosonde and weather balloon in their field. The equipment was brought to school for study before sending it back to the weather station.

Another highlight was when a visiting scientist spent the day with the biology classes and had a good time hamming it up with the boys.

SOCIAL SCIENCE

Mrs. Batman's room always features a well-designed bulletin board.

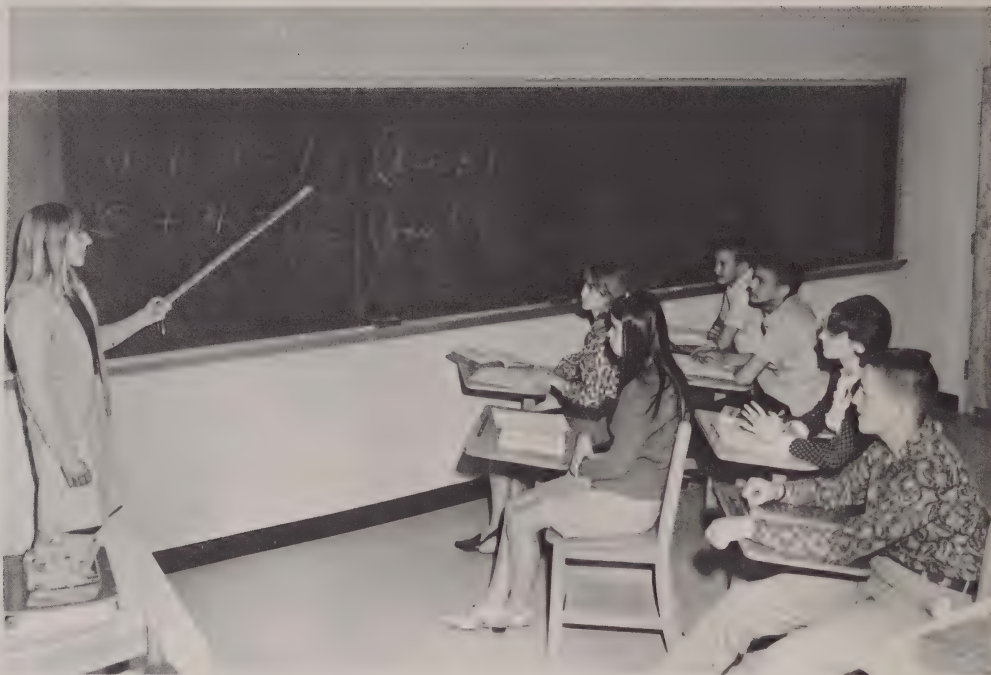

Mrs. Wayland's room also displays well designed bulletin boards that coordinate the studies.

ALL THIS IS PART OF THE CURRICULUM

Forensics students use the inter-com. Library helps learn their geography. Office Machines can be mastered. Typewriters can be used swiftly. Students publish the student directory. Some of the boys wham it up during the talent show.

Math on the blackboard, Math in use. Above is a part of Miss Norman's Math class.

MATH

Math in use? Two girls in Chemistry class consult the periodic chart of the atoms. Does Math really help?

BUSINESS EDUCATION

The typing class is just a small part of the Business Education department. The students may study office practice, machines, shorthand, Economics, and related courses. In the picture below we illustrate the result of Business Education. Miss Lois Turner, Office Secretary, is a graduate of our own Business Education department.

The business courses are an important part of our school's offering, especially for the students who plan to enter the business field. The purpose of the program is to equip them with the training and confidence they will need in this chosen occupation.

Sledding is action!

Boys learn how to get that ball!

PHYSICAL EDUCATION

The girls are interested in getting the ball too!

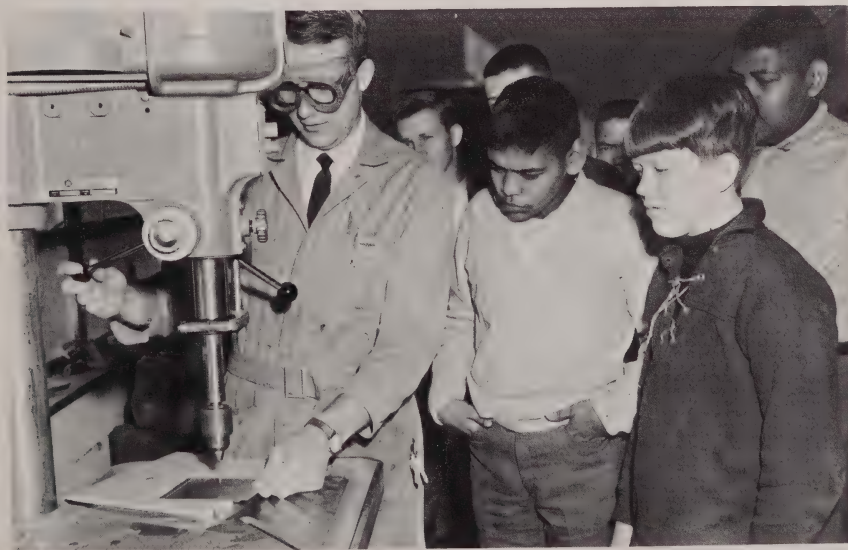

The boys learn the use of woodworking tools as they make their first projects.

INDUSTRIAL ARTS

RIGHT: The metal lathe is kept busy as the boys learn to sharpen the cutter bits, to figure surface speeds, and to make things of metal.

How do you use the drill press? Listen and observe carefully, and then you will know.

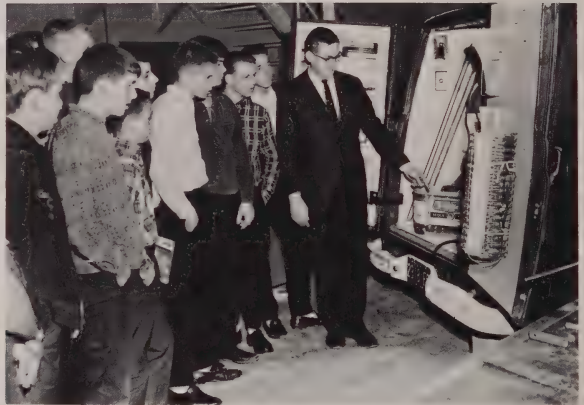

VOCATIONAL AGRICULTURE

LEFT: Boys in Vo-Ag build their own welding booths.

RIGHT: They learn modern electricity from the visit of the Power Company's educational truck.

BELOW: They visit farms and judge the animals.

BELOW: Sometimes they have time to use the shop to build woodworking projects.

ART IS USEFUL

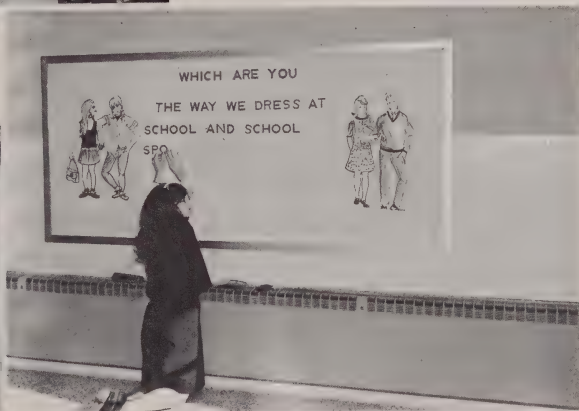

Art Students, above, work on the "KEEP VIRGINIA GREEN" posters.

LEFT: Words show motion.

These boys are carving a new wooden figure for the gymnasium decorations.

Bulletinboards are a big part of school life, and they are a big part of the art program.

Home Ec girls cut patterns and sew.

HOME ECONOMICS

They bake pies

They make crazy hats for the initiation ceremony.

... and they serve
punch to the faculty.

THE PAGE COUNTY BAND

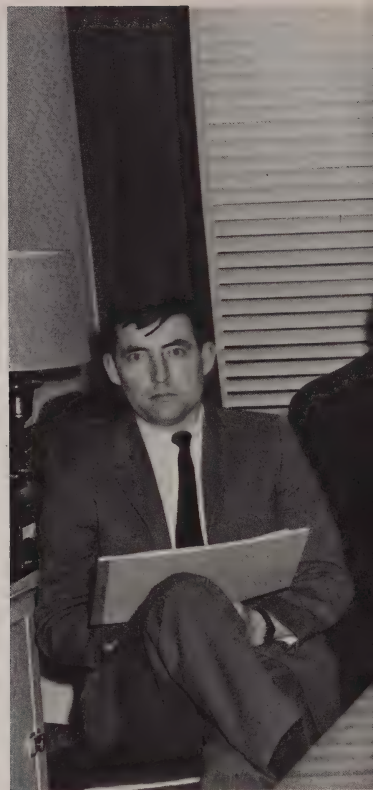

Because the Page County Band was busy with many other activities other than formal stage presentations, the Band is shown in other places in this book.

The Junior Band

Action on the stage.

STUDENT COOPERATIVE ASSOCIATION

This was a busy year for the SCA. They were in charge of the Eighth Grade Orientation Week, Senior Week, the Talent and Variety Show, and a Perfect Attendance Week. The School constitution was amended this year. A very successful project was the Easter Seal Campaign during which time the students collected from themselves enough money to send five children to Camp Easter Seal. In addition, more than 300 cans of food was collected during the Christmas season.

'67 President Barbara Gravett discusses plans with new '68 President Carroll Stillwell.

THE PAGE

The school annual has the purpose of recording the year's happenings so that in future years we will be able to recall our school days with pleasure and comprehension.

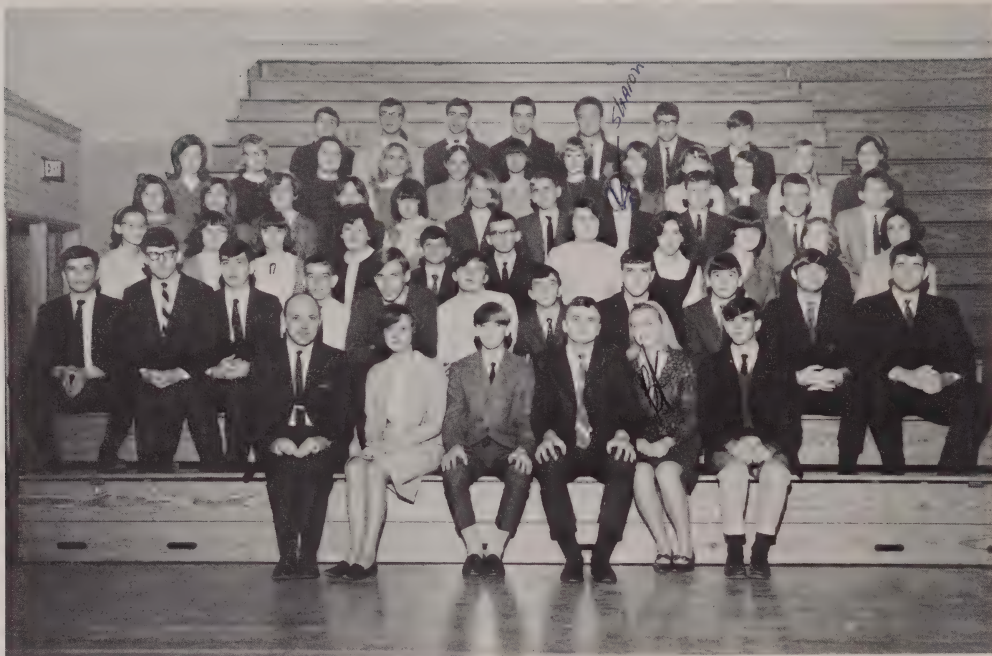

The annual staff is composed of volunteer students who devoted one hour each day to the production of this yearbook.

Steve Judd, editor, and Sharyn Young, associate editor, went with the members of the PIONEER staff to the annual SIPA convention held at Lexington.

The Page County Panthers used the new field at the school this year, but suffered from a lack of material on the bench. The '66 Panther team was renowned for fighting spirit, but found the going rough in the win columns. The pictures on this and the next page illustrate some of that dogged determination which characterized the Panthers all during the year.

PANTHERS FOUGHT—AND KEPT ON FIGHTING

In every game there were eleven hard-fighting Panthers on the field.

Page captured second place at the Rotary Relays. In the District Ten Meet Page took the high jump, and second in the 100 and 220 yd. dashes. Page also took second in the 880 Relay. Rick Kite and Mike Hammer went to the State Meet and each scored . . . Mike was fourth in the 100 yd. dash, and Rick had fifth in the high jump. Ralph Kibler broke the old record for the 880 with a time of 2:04.9. Billy Dovel set a new record for the mile at 4:41.4.

THE PAGE GOLF TEAM

Our Golf Team, coached by Mr. Emswiler, broke into the scoring side of the sheet, and even though the boys did not win a single match, they are off to a goodstart for the future.

SECOND ROW: Roger Alger, Wayman Comer, Owen Jenkins, Robert Petefish, Donnie Knighton, Gary Brown, Ricky Kite, Clinton Lucas, Barry Burner, Robert Good, Eddie Campbell, and Charlie Anderson.

The Panthers were second in the District in Baseball this year. They fielded a good team that was always there in the pinches.

Part of the success of the Panthers was due to the consistant pitching and hitting of these two boys (right). Gary Brown was an all-around athlete who won a total scholarship to Davis-Elkins College. Donnie Knighton has won fame as one of the few pitchers to hurl a no-hit game.

I hardly know what to write because I don't have a very good memory. But I can remember some things like the night our band played up at the pool. That was the first time we really had fun. One date I will never forget is July 1 - I will never forget that. It was the big night. Also remember all the good times we had up at your house. Watching T.V., eating potato chips and some other ~~unclassified~~ things. And last but not least - I hope that everything will work out and that we will last forever.

Lovingly Yours

Me

THE HONOR GRADUATES

FRONT: Barbara Gravett, Beverly Davis, Karen Bodell. REAR: Jane Plum, Olivia Brubaker, Rosemary Cave, Diane Comer.

Mrs. Batman, Senior Sponsor, gives her last orders to the senior boys as they line up for the march down the aisle to receive their diplomas.

The ministers came to the graduation program to help give thanks.

Members of the Chorus lined up in the hall. They sang "The Halls of Ivy."

Mrs. Kite hands Jane Plum an award for scholarship. Said Mrs. Kite; "Our only regret is that we do not have 88 different awards. Since we are certain that each of these students has accomplished something during their years at Page County High School for which they deserve special recognition."

And now the diplomas can be handed out to the anxious graduates!

Linda Batman

Olivia Brubaker

Rosemary Cave

Five members of the Senior Class were the graduation speakers. Each wrote her own speech. They were selected during a competition. Linda Batman spoke about the "GRADUATE'S FUTURE," Olivia Brubaker used the theme of "FROM TODAY INTO TOMORROW." Rosemary Cave asked about "TODAY'S GRADUATES IN TOMORROW'S WORLD."

Barbara Gravett was announced as being the OUTSTANDING SCHOOL CITIZEN. This award was based upon her fine school citizenship from the viewpoint of loyalty, achievement, attitude, character, and service to the school.

Rosemary Cave was presented with the BAUSCH & LOMB SCIENCE AWARD which recognized her academic excellence and for her outstanding record in science. Rosemary also received the OUTSTANDING STUDENT AWARD which was presented by the Stanley Order of Fraternal Americans for academic achievement, loyalty, and character.

Diane Comer and Norris Dinges were given the DANFORTH AWARDS. This award is presented for "Fourfold development . . . Mental, Physical, Social, and Spiritual".

There were two ARION AWARDS given for excellence in music. Linda Darlene Wayland and Linda Marie Batman were given these awards for excellence while at Page County High School.

Diane Comer

Barbara Gravett

Mr. Bodkin

Diane Comer's graduation speech was entitled, "Questionnaire".

Barbara Gravett's speech was entitled, "Unity."

At the end of the presentation of awards, the principal, Mr. Bodkin, reminded the students that there were many potential winners in the body of the graduating seniors. He said that while the school was able to make awards to only a few who had achieved the highest forms of scholarship as judged by the faculty, there were others in the class who would become more successful through the life's work which they would do.

The Honor Students listed on these pages are not the only students in the senior class who were on the honor roll. The students achieving an outstanding level in their academic work are named as Honor Students. There were, in this class, seven students who maintained an average of 3.5 or A- for their five years in high school.

And so we graduate. We have grown in many things, and we will continue to grow. Now we leave the building and head for home . . . and the problems and joys of life.

Behind us we leave the empty classrooms and hallways. During the summer there will be only the custodians and the course planners who will make the school ready for the coming year.

Listen, you who remain . . . in the future you will hear our ghosts rattle the windows as we return . . . as return we will.

The end.

Dicki,

It's hard to write what you told me not to write, but I'll try. Well, remember the night the doorbell rang & no one was there, and remember all of our talks about God knows what! and don't forget the day we cried! Try to remember Shirley J. and how she loves Kenneth. Ha! But most of all remember the night we sang "Sorie Sorie" and played hide & seek, and kind of tore up your yard. Don't forget the nite I ran over the bushes in front of your house and the rest of the things you should remember will have to be told by ESP. Know what I mean??

Oh, for the next million years;
Keep cool & don't tell lies (they
both get us into trouble.)
